Mr. George W. Fash
Tilton Building
59 West Palisade Avenue
Englewood, N.J.

Dear Sir:

I have dug out a collection of about thirty Siamese porcelain tokens, and have an accumulation of United States coins. If you would care for them, I should be glad if you would come to the Society at your convenience, and would suggest your telephoning in advance to ensure my being in the building at the time you call.

Very truly yours,

Curator
